IT'S NOT SO MUCH WHAT WE SAY as what we DO, and it's not so much what you pay as what you GET, that makes "THE LACE HOUSE" the best patronized house on Monday as well as all other days of the week. Talk is cheap; claims that appear in much of the advertising are ridiculous, and Bargains often heralded as marvelous Turn out a Myth. Such is not the character of our advertising. Study today's price facts on this page, then come tomorrow and verify each and every item.
